

CARMEL-BY-THE-SEA

NC CONSTRUCTION

BUILT ON TRUST. BUILT TO LAST.

Project Specifications:

This Carmel-by-the-Sea home by NC Construction combines rustic charm with modern functionality. The kitchen features exposed wooden beams, natural wood cabinetry, and sleek stainless steel appliances for a cozy yet contemporary feel. Outdoors, large windows and stone accents blend with the landscape, while the patio and garden provide a perfect space for relaxation and entertaining.

It was a pleasure to build this custom home in Carmel, where we could highlight our craftsmanship in every detail. From intricate trim work to custom cabinetry, the finish work truly stands out in every room. Working closely with the homeowner, we focused on creating elegant, high-quality finishes that perfectly complement the design. The result is a home that blends luxury and comfort with meticulous attention to detail. - *Nason Campbell, Owner*
